- No NSO Stipulations
- One NSO Stipulation
- Two NSO Stipulations

Buffalo Field Office Final Resource Management Plan and
Environmental Impact Statement - May 2015

Note: The BLM does not administer federally owned surface estate within the administrative boundaries of Bighorn National Forest or Thunder Basin National Grassland, including deciding which Forest Service lands are available for fluid mineral leasing or how a lease can be developed. The area within these boundaries is not part of the RMP analysis. The BLM administers federally owned fluid mineral estate within these USFS units in conjunction with the USFS and their land use management plans.
